Class Name: Fancy Forest Block of the Month

Teacher Name: Melissa Himes

Class Description:

Create Elizabeth Hartman's Fancy Forest quilt! During the first session, we will look at creating a color palette, discuss ways to organize our pieces, and spend time selecting our fabric. Each subsequent month we will work on one of the 6 components of the quilt – thistle, hedgehog, bunny, fox, butterfly and owl. Hartman's quilts are not difficult but require patience as they are composed of many tiny pieces, so this is a great way to stay motivated and have fun with others.

Required Supplies:

- Working sewing machine
- ¼" foot
- Rotary cutter
- Personal cutting mat
- Pins
- Scissors
- Thread
- Fancy Forest pattern
- Fabric supplies as listed in pattern.
