

## **CAPITAL PROJECT FUND PLAN**

Tremonton City has set up various departments in which to run the City effectively. Fund monies budgeted/collected/donated for each department will be invested to further the needs of Tremonton City. Tremonton City's primary goal is to provide a safe, adequate, protected, environment for all residents to live, work and prosper. Tremonton City's General Plan outlines the importance of providing the necessary safety equipment/vehicles, infrastructure, roads, cemetery, programs (food pantry, seniors, recreation, parks, etc.), buildings or other emergency requirements with City Council approval to support the health, safety, and welfare of the public. Objectives outlined but not limited to for the Capital Project Fund are the following:

1. New buildings for Civic Center, Seniors, Food Pantry, Cemetery Shop and restrooms.
2. 2000 West
3. Ladder truck/ambulance/fire truck/equipment for Fire Department
4. Building/vehicles/equipment for Police Department
