I believe I have the experience you need on City Council. I have served on the following:

I appreciate the many Tremonton residents who have supported my decision to run for Tremonton City Council. Being born and raised in this community, I have a vested interest in Tremonton City and understand the rich heritage and strong roots that give this community its solid foundation.

Growth, Affordable Housing, Maintaining Municipal Service are some of the top issues facing Tremonton City. Tremonton City has experienced growth in population, large corporations locating in Tremonton drawing people to Tremonton for employment and the rural atmosphere. As of late, growth has slowed down and we must adjust to the change without tax increases but still maintaining our infrastructure. We need to listen to the voice of the citizens of Tremonton, maintain a balanced budget without increasing taxes and plan for future growth. I will continue to approach City Council with an open mind, fully researching the issues at hand, make decisions that will enhance our community and improve the lives of our citizens. It has been a privilege to serve the people of Tremonton. With your continued support, I will be the voice for all the people to maintain a family friendly community to the best of my ability.
