I believe the choices we make today will impact our lives tomorrow, whether for the positive or negative. As a member of the Tremonton city council I commit to the citizens of Tremonton to always make decisions based upon principles of fiscal responsibility. I believe your tax money is sacred money and should be treated as such. I believe in Tremonton's success as a community and urge members of the community to support local business whenever possible. A vote for me is a vote for a bright and positive future. I invite you to share your feelings and concerns with me anytime. I commit to you to work hard and do my best.

Thank You ~John Losee
