VOLUNTEER SERVICE AWARD

The Tremonton Parks and Recreation Volunteer Service Award is given biannually to a deserving person in the community who has demonstrated a high level of service to the Parks and Recreation Department. This season's award is presented to Dorene Schulze

Dorene has been one of Tremonton Parks and Recreation's best volunteers. She started volunteering before Tremonton Parks and Recreation existed. Her main project was to help with the "Western Heritage Festival" which was started by the Beautification Committee in the mid 1990s. Dorene took it over in 1997 and hasn't looked back since.

In 2001 Tremonton City Days started and combined with the Western Heritage Festival. Dorene volunteers all of her time

DORENE SCHULZE

on the days leading up to, during, and days after Tremonton City Days each year.

Dorene has great input on what events and activities occur during the celebration, she also is the main contact for all of the booth organization. She has been doing this for 15 years and has never asked for anything.

Dorene also volunteered last year as a youth baseball coach and her team members had a wonderful time playing under "Coach Dorene."

The Tremonton Parks and Recreation staff would like to say thanks to Dorene and her family for their support as they have given so much to the Tremonton Parks and Recreation Department. Dorene has been a major factor in making our community events better for everyone in the valley.

If you see Dorene please make sure to thank her for all of the time and effort she has put into volunteering for the community.
