Mayor's Message

Welcome to our City. I hope after you have been here for awhile you too will know what a great City we have.

We have approximately 7,200 residents and still growing, thanks to people like you that choose to make Tremonton your home. We are a full service City with Police protection 24 hours a day - seven days a week. A 35 member Volunteer Fire Department with EMT certified Ambulance crews. A great Senior Center with lots of activities, a Library that meets most of your needs. A nice down town retail shopping area with some outstanding Merchants. A full time Recreation Director that runs many recreation activities such as, basketball soccer, baseball, softball, and much more. All of which are played on one of the many City Parks.

Thanks for picking Tremonton. I know you will enjoy getting to know the wonderful citizens in our City.

Mayor Roger Fridal

Utility Bills

-The City provides water, sewer and garbage.

Water: \$13.70 for 12,800 gallons per month. The water overage charge is \$1.13 per thousand gallons after the 12,800 gallons.

Storm drain: \$1.30 per month.

Sewer/treatment: \$22.05 per month. Businesses are charged for sewer based on the amount of water used. After 12,800 gallons are used, the charge is .75 per 1,000 gallons.

Garbage: \$9.30 per month. If you need a second can, the charge is an additional \$6.00 per month. Call 257-9500 to request a second can.

Deposit: If you are renting, a \$75.00 deposit is required to obtain service. The deposit is held until you move out, at which time it would then be applied to your final bill. Any resulting credit will be refunded.

-Bills are sent out by the 10th of the month and are due by the last day of the month. If payment is not received by the last day, then a \$2.00 late fee is added.

-The minimum bill is \$46.35 per month. You can drop payments off at the drive up drop box in the parking lot, the box by the front door, US Mail, in person, or online at www.tremontoncity.com

-Arrangements for payment on delinquent utility charges made prior to the issuance of water shut-off notices shall include provisions wherein no one shall have a remaining total balance due which is greater than an amount equal to the basic charges for one and one-half month's utility service (currently \$69.53).

-Water off day is generally scheduled on the last Wednesday of the month. If water service is discontinued, the service fee is \$25.00 to reconnect service. After hours service fee is \$50.00. If water has been turned off for non-payment, the City must be contacted to turn the water back on. If a resident turns their water back on, they must pay a \$50.00 illegal turn on fee.

Garbage Collection

The City contracts with a private company to collect residential garbage. It is picked up each week. Please place containers at the curb. If you have two cans, they must be at least six feet apart. All garbage must be in the can with the lid down. Put garbage out the night before pick up. The North side of Main Street is picked up on Friday and the South side of Main is picked up on Monday. The haulers are scheduled to come on the same day each week.

Garbage will not be hauled on New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving or Christmas. These holidays could make your pick up day one day late. The City sponsors a Spring Clean up each year. This is generally held in May. Large dumpsters are placed at several locations throughout the City.

Tremonton City Police Department

The Tremonton Police Department was organized in 1918 with Peter Meister serving as the department's first Chief of Police. At the time, officers were "dispatched" on calls by a light suspended over Main Street being illuminated by a hotel desk clerk, whom the public had called to request an officer. Upon seeing the light turned on, the officer would stop at the hotel to find out what assistance was needed and where.

Today the Police Department provides twenty-four hour police services within Tremonton City. Additionally, officer assistance is often requested by other agencies in surrounding areas. Some shifts have multiple officers on at the same time with reserve officers augmenting the full-time staff. Over the years the Tremonton Police Department has developed into one of the most progressive small agencies in the state of Utah with a reputation of pride and excellence. The department has state-of-the-art radio and telephone communications augmented by modern Internet capabilities and computer-generated reporting system.

Animal Control\Nuisances

Animals - Check zoning restrictions before moving domestic animals into the City.

Dogs - Each household is limited to a maximum of two dogs over six months of age. Each of which must have a current rabies vaccination and a valid Tremonton dog license. A request for exception to the two dog limit is by requesting a Kennel license from the Tremonton Planning Commission. A kennel license is only allowed in certain zones in the City. The City holds a rabies clinic each March at which low-cost rabies vaccinations are offered. New arrivals have 30 days in which to license a dog. Licenses for a spayed\neutered dog is \$10.00 and \$15.00 if the dog is not spayed or neutered (proof of spay/neuter must be provided). Dog licenses must be renewed each year before the end of March. A \$15.00 late fee is added to the cost of a dog license after 30 days in the case of a new move in, and after March 31 for all previous licensed dogs. Dogs may not run loose (leash law) nor disturb the neighborhood with prolonged or excessive barking.

Nuisances - All real property in the City must be kept free of unsightly overgrowths of weeds and vegetation. Additionally, unsightly accumulation of any material on personal property, to include old vehicles, appliances, machinery, trash, lumber, etc., constitutes a public nuisance. Generally, a warning will be issued -but not required-describing the nuisance and asking that the condition be corrected within a maximum of 14 days. Failure to abate a nuisance is a Class C misdemeanor which requires a court appearance.

Court

Tremonton City Justice Court is located in the City Building. Judge Kevin Christensen is the Judge. The Court Office is open each day from 9:00 a.m. - 5:00 p.m. Court is held each Monday between the hours of 1:30 p.m. and 4:30 p.m.

Public Works Department

The Public Works Department is located at 300 East 1200 South. There is a large conference room with kitchen facilities which is available for rent.

Yard clippings, which are used for the compost, can be disposed of at the Plant. Compost is available at the Treatment Plant. The cost is \$7.50 per scoop. You must pay for the compost at the City Office and take the receipt to the plant and they will load it for you.

Sewers - Fats, oils, greases aren't just bad for your arteries and your waistline; they are bad for sewers too. Sewer overflows and backups can cause health hazards, damage home interiors and threaten the environment. An increasingly common cause of overflow is sewer pipes blocked by grease. Most of us know grease as a byproduct of cooking. Grease is found in such things as: *meat fats, lard, cooking oil, shortening, butter and margarine, food scraps, baking goods, sauces and dairy products*. Grease is washed in the plumbing system, usually through the kitchen sink. Grease sticks to the insides of sewer pipes, both on your property and in the streets. Over time, the grease can build up and block the entire pipe. The easiest way to solve the grease problem and help prevent overflows of raw sewage is to keep this material out of the sewer system in the first place.

Never pour grease down sink drains, in garbage disposals or into toilets. Scrape grease and food scraps into a can or the trash for disposal.

Water Conservation - Even the smallest drip from a worn washer can waste 50 or more gallons of water a day. Larger leaks can waste hundreds of gallons.

- ▶ Use your automatic dishwasher and washing machine only for full loads
- ▶ If you wash dishes by hand, don't leave the water running for rinsing
- ▶ Keep a bottle of drinking water in the refrigerator. This ends the wasteful practice of running tap water to cool it before drinking.
- ▶ Plant drought-resistant trees and plants
- ▶ Put a layer of mulch around trees and plants
- ▶ Use a broom to clean driveways, sidewalks and steps. Using a hose to push around leaves and dirt can waste hundreds of gallons.
- ▶ Water your lawn only when needed and during the cool parts of the day.
- ▶ Check for leaks in pipes, hoses, faucets and couplings

Lawn watering - Most of us tend to water too often and leave the sprinklers on too long. Turf studies have shown that most lawns only need to be watered every 3 - 4 days to stay healthy and green. Watering every day creates shallow roots. Watering infrequently develops deep roots and healthier turf. Grass roots grow deeper into the soil and become stronger with less watering. If grass does not spring back after being stepped on it is time to water. Water only when needed.

Snow removal - Vehicles must not be parked on the street when snow removal operations are in progress or at any other time when snow removal operations are required or being performed. Property owners must keep sidewalks and fire hydrants clear of snow.

Senior Center

Bear River Valley Senior Center is located at 510 W 1000 North.

Hours are Monday thru Friday, 9:00 a.m. - 5:00 p.m. September through May, 8:00 a.m. - 4:00 p.m. June through August.

-Congregate meals are served weekdays at Noon. Call 257-9455 for reservations.

-Home delivered meals are delivered five days a week.

Available activities for Seniors Citizens: Foot clinic, blood pressure testing, health fairs, quilting five days a week, pool tables, and a Museum. They will soon have computers available for use.

Food Pantry

The Food Pantry is located at 180 South Tremont, the phone number is 257-9530. It is open on Monday's and Tuesday's from 3:00 p.m. - 6:00 p.m. Donations can be dropped off at any time at the City Office.

Recreation

The Recreation Director is Marc Christensen, his office is located at 614 N 1000 W.

The Recreation phone number is 257-9485.

-Recreation programs are available for all ages with a variety of activities to offer.

-A Recreation Program Guide is mailed out twice a year explaining all activities.

-All Recreation sign-ups are held at the City Office.

Community Events

-The Saturday of Easter - Easter Egg Hunt held at the Stevens Park

-The Second Saturday of May- Annual Fire Department Steak Fry

-Memorial Day - Memorial Day Program at the Riverview Cemetery at 8:00 a.m.

-July 24th - Tremonton City Days - Celebration held at Stevens Park

-August - Box Elder County Fair

-October - Pumpkin Walk

-December - Lights at Midland Square - Candy Cane Hunt

Building Inspection

The Building Inspector is Steve Bench, his office is located in the City Building, phone number is 257-9510. Tremonton City is zoned and does require building permits. A permit is also required when building a fence, so check with us before you build.

Library

The Tremonton Library is located at 210 North Tremont. Open Monday - Thru Thursday, 1:00 p.m. - 8:00 p.m. Friday-1:00 p.m. - 7:00 p.m. Saturday-9:00 a.m. - 3:00 p.m.

Computers available for Internet use.

Fire Department and Ambulance

The Fire Station is located at 95 S 100 W. Tremonton Volunteer Fire Department was organized in the fall of 1937. Today the department consists of 35 volunteer members, most of which are certified Emergency Medical Technicians and certified firefighters. The Fire Department operates the communities ambulance service with four Advanced Life Support ambulances.

Tremonton Fire Department is an ISO class 5 Department. The Fire Department continues to maintain the latest equipment and training available. We are a community oriented Fire Department providing fire safety, first aid instruction, CPR and CERT(Citizens Emergency Response Training) to the community. For non-emergency calls to the Fire Station the number is 435-257-9520 for EMERGENCY'S CALL 911.

Business Licenses

Tremonton City Ordinance states that anyone engaging in business within the incorporated City limits must first obtain a business license. There are very few exceptions and they include: a home occupation grossing less than \$600.00 per year; home instruction of the arts; religious, charitable, and other non-profit organizations which are tax exempt under the laws of the United States or the State of Utah; and State licensed contractors who have a valid business license from the City in which their business is located. All business licenses expire on December 31st of each year. It is the responsibility of the business owner to renew the license annually and notify the City of any changes/additions/deletions that may occur. Failure to renew a license by February 28th results in a 50% penalty. Business licenses may be applied for at the office of the City Recorder.

Home Occupations

All home occupations must be licensed and must obtain a Conditional Use Permit before applying for a business license. Applications for the Conditional Use Permit are obtained from the City Treasurer/Receptionist and require notification of all neighbors within a 300 foot radius of the home where business will be conducted and appearance before the Tremonton City Planning Commission. There is a \$20.00 Conditional Use Permit fee.

Riverview Cemetery

The Riverview Cemetery is located at approximately 200 East 1200 South in Tremonton. The earliest known burials occurred in 1907. Among the notable burials are those of the Borgstrom brothers: Clyde, LeRoy, Rolon, and Rulon, who were all killed during World War II between March and August of 1944.

A City Policy Book is available at no charge to owners of burial plots within the Riverview Cemetery. This book provides general information and regulation policies along with a brief history of the cemetery. For information on the cemetery, to purchase burial plots, or to arrange a burial, contact the City Recorder.
