Time: 6:00 pm

Are You Prepared?

6.0 magnitude earthquake
Wells, Nevada
February 21, 2008

Is your family prepared to leave home for an extended time?

When is the last time you inspected your 72-hour kit? Is it going to be enough? What can you expect?

Come listen to Jeff Johnson tell his experiences of living through a 7.4 magnitude earthquake and hear how he has prepared himself and his family should it happen again.

Highlights

- ◆ Free admission and prize drawings
- ◆ Social Media, quick family communication
- ◆ 72-hour kits and supplies available
- ◆ Ideas on personalizing a kit
- ◆ Business preparedness booths
- ◆ Utilities representatives available to answer questions
