

# *Catch the Spirit of Elk Ridge*

## VOLUNTEER AND DONATE

We invite you to donate your time, talents, tools, materials, and financial support to help us keep costs to a minimum. Several projects are planned which will beautify our city and provide better service. Volunteering and donating can be an exciting and enjoyable experience. It gives us the opportunity to connect with others, solve problems, and feel the satisfaction of making a difference in the community. You will be amazed at how much can be accomplished with your help.

Join with us and

*Catch the  
Spirit*

# Catch the Spirit PROJECTS

To help explain the scope of what we have in mind for the volunteer projects, the following lists are provided. They are not comprehensive but serve as a place to start. You can see that we need cash donations to buy paint and other materials to keep costs low. Many trade skills are needed—painters, carpenters, electricians, and welders.

## Projects Completed

Construct an archived files storage area above the workshop  
Office lobby and council room facelift  
New US flag, eagle ornament, and stand

## Projects in Process

Move telemetry in old pump house to city office  
Design & construct a new council table

## Future Projects

New council table chairs (6)  
New, framed 3 x 5 bulletin board  
Build parts shelving in the old pump house  
Shop office: Install double doors and donated furnace  
Build and install pipe racks in shop area  
Install exhaust fan in shop  
Build a salt spreader rack using existing pipe  
Verify water valve locations  
Grade road to upper tank  
Replace shop floor and install sump  
Renovate & move display board from city parking lot to Gooseneck Drive  
Landscaping around new city flagpole  
Pick up rocks in part of field west of soccer field  
Repair chain link fences

The city is also in need of more tools. Please consider donating your excess tools; a partial list follows:

## Tools Needed

Impact sockets, all sizes and drives, shallow and deep  
Impact wrench ¾" and 1"  
Portable air compressor  
Portable air tank  
Regular sockets, all sizes and drives, shallow and deep  
Wrenches, up to 1 7/8"  
Wire wheel for 4" grinder  
Framing tools:  
Hammers  
Squares—framing and speed  
Electrician tools:  
Screwdrivers  
Pliers/cutters/wire strippers  
Voltmeter/amprobe  
Bag  
Plumbing tools:  
Soldering tools  
Pipe wrenches  
Cutters  
Reamer  
Threader w/dies ½–2"  
Small portable submersible pump

Portable electric cut-off saw  
Blower for working in vaults  
Oxygen sensor for vaults  
Posthole digger  
Digging bars  
Crow bars  
Portable cutting torch  
Battery charger  
Jumper cables  
Wire feed welder  
Abrasive blades for cut-off saw  
Diamond blades for cut-off saw  
Large tool chest  
Peg board w/hangers  
Small generator (2kw)  
Air hoses  
Garden hoses  
Extension cords  
Portable spotlights  
Flashlights/headlights  
Tool bags  
Floor jack

Please circle what you would like to help with and return this flyer to the city office or green city drop box with your water bill payment:
