These fabrics are simply delicious! They feature colorful chocolates and fun phrases like “Forget love, I’d rather fall in chocolate!” We also have two coordinates to go along with these fabrics: a polka dot with a brown background and a brown stripe.

These are perfect for Valentine’s Day so hurry in and get your share before it’s all gone!

Elusive Catch from South Sea Imports

This fishing themed fabric line gives the beautiful landscapes of nature that surround lakes and rivers. There are also views into the water to see all of the fish and the world under the sea.

If you or a loved one love to fish this fabric would make a perfect blanket to keep them warm on those cold, fishing mornings!
