

The Friends of the Eaton Public Library is introducing a “Books for Babies” program through the Eaton Library with the creative assistance of the United Methodist Women’s Organization of Eaton. The Friends are starting this program to help parents begin reading to children and appreciating the Library at an early age. Eaton parents with newborns will be welcome to pick up a Babies Reading Kit at the Library which contains a book provided by the Friends, a cuddle blanket made by the UMW and information on the importance of reading to your infant. Eaton families with a newborn may pick up a “Books for Babies” kit at the Library at 132 Maple Avenue during regular business hours.

Anyone interested in joining the Friends of the Library should pick up a current Friends newsletter at the Library which contains information on membership and current Library events. The newsletter can also be viewed at <http://eatonco.org/library.htm>

The Library has board books for reading to infants and provides a “Baby Lapsit” program on Monday mornings at 10:00 AM for parents and their infants. The program offers stories, music and activities to stimulate development. Come join us!
