

Walk On The Wild Side Pant #1516

Comfort meets style in this beautiful pant destined to become a basic in your wearable art wardrobe. This figure-flattering pant is elegant as a simple basic in soft, flowing, drapable fabrics like rayon, silk and even cotton knit. As fun to wear, as it is to make in cotton prints, ikats or sophisticated hand dyes. Subtle homespun plaids and stripes provide casual comfort. Add the side panel inserts and style lines for an even more figure flattering fit. You'll never wear jeans again!
