

Crossroads Jacket #1517
Designed by Ruth Vincent

Asian-style jacket in three views. View 1 has three crossover layers, each in a different fabric. The third layer is quilted and the entire jacket is lined. View 2 looks like view 1 but is not quilted and is not lined. Make this version from a heavier fabric and face the front edges. View 3 has a right over left closure and is made with two fabrics for the body and a third for the collar. This version is unlined and should be made from a heavier fabric.
