

**TOWN OF ALPINE
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that on Tuesday, August 15, 2006 the Town of Alpine will hold a public information meeting in conjunction with the Town's Regular Council Meeting at 7:00 p.m. at 250 River Circle, Alpine, Wyoming in the Alpine Town Hall.

The purpose of the public information meeting is to allow citizens to review and comment on the project to upgrade the Town's water supply system. The project is designed to address the major deficiencies by upgrading the existing two wells, installing an emergency back-up generator for the pumps to guard against power outages and install a new control system to optimize operation and monitor flow and tank levels.

The Town of Alpine intends to use funds from both the WWDC and the Wyoming Drinking Water State Revolving Loan Fund administered by the Wyoming Department of Environmental Quality. The Town will present the preliminary design of the proposed project and discuss the estimated cost of the improvements. A preliminary plan of improvements can be reviewed at the office of Rendezvous Engineering; 25 South Gros Ventre Street; Jackson, Wyoming 83001.

Written comments are also welcome and must be received by 5:00 PM on September 3, 2006. Send written comments to the Town of Alpine, PO Box 3070, Alpine, WY 83128

Tracy Matthews, Clerk
