Dear Parents,

As the Alpine Center moves closer to completion, construction costs are consuming the majority of LUCDA available funds. The Alpine Center is in need of many new or gently used items:

- * Non-breakable plates, bowls, cups, utensils, pots & pans;
- * classroom storage units, changing table, toys, books;
- * file cabinets, bookshelves, office chairs, paper trimmer, phone system.

Items can be dropped off at your local child development center or arrangements can be made for pick up by calling your local center.
