6 - UNFINISHED/ONGOING BUSINESS:

- **CODE NEEDING UPDATED:** New ordinance/code updated is needed, to add that New homeowners & businesses need to identify their physical address & they should also call Town to obtain their correct physical address first.
- **GREATER ALPINE AREA MASTER PLAN**
- **CERTIFICATE OF OCCUPANCY PERMITS (TABLED):** Commission has discussed process of issuing certificate of occupancy permits. Some new businesses and residential homes have been issued an occupancy permit without finishing their projects entirely. Dave Gustafson drafted an ordinance, similar to what Jackson utilizes. Currently, for when certificates of occupancy permits are issued. Action needs to be taken to write the draft code and forward to Council.
- **ACCESSORY BUILDING/ SHEDS (TABLED):** Current codes for accessory buildings/ sheds are too vague. Lots of questions re: how big a shed can be, whether it can be placed in setbacks, etc. There is no building permit application for a shed either. *This code will need to be rewritten/ modified.*
- **COMMERCIAL DEVELOPMENTS/LANDSCAPING PLANS (TABLED):** Commission discussed implementing landscaping plans for commercial and R-2 zoned properties. As many new businesses and R-2 zoned business for rental housing have done a great job completing their proposed landscaping, many businesses and apartment complexes have not. Dave Gustafson agreed to draft proposed landscaping requirements for B-1 and R-2 zoned properties for the August 26, 2003 Planning & Zoning Meeting. Item pending Dave Gustafson's completion of a draft code.
- **IBC CODE:** Atty. John Bowers is drafting an Ordinance to replace the UBC Ordinance
