3 - NEW BUSINESS:

- **Catherine Peet & Patrick Milligan: 86 Riverview Meadows, 521 Snake River Drive – Minor Construction Permit, MC-04-10** - Ms. Catherine Peet addressed the Commission on their request for a shed permit. Upon reviewing the information provided, the Commission informed the property owner that the shed would need to be 15 feet from the side property line and 20 feet from the back property line. Ms. Peet commented that the shed is movable and could be relocated to the proper setback requirements.

Mr. David Jenkins motioned for approval of the minor construction (shed) permit pending the moving of the location of the shed to the proper setback requirements as stated and meeting with the Town inspector's approval. Mr. Justin Sandner seconded the motion. Vote: 4 yes, 0 no, 0 abstain, 1 absent (Floyd). Motion carried.

- **Alpine Market: 716 Lakeview Estates C; 100 Greys River Road –Sign Permit, S-04-10** - Mr. Scott Harris addressed the Commission on the proposal to replace the existing sign, with a new sign and two poles. The Commission reviewed the permit and discussed the height of the sign. If it is the desire to install two poles the height of the sign will have to be fifteen feet, as per the Town regulations. If they use the existing pole, the sign can remain at the current height. The Commission discussed the variance process with Mr. Harris. Public comment was taken and a discussion was held on the safety of that corner during the winter months, with all the snow that is stored in that area. The Commission again discussed the current height and the proposal to change the art work on the sign. It was suggested that accurate measurements were to be taken and for the applicant to decide if they will be using the existing poles or replacing the previous ones. More information will need to be submitted on this project before Commission approval.

Ms. Melisa Wilson motioned to table this sign permit pending further information and measurements are made available. Mr. Dave Jenkins seconded the motion. Vote: 4 yes, 0 no, 0 abstain, 1 absent (Floyd). Motion carried.

- **Glenn Knopp: 66 Lark Spur Circle, Lazy B Subdivision** – Mr. Glenn Knopp addressed the Commission regarding the application to the County to Rezone/Conditional Use Permit on behalf of Spencer & Laura Defty for their Townhouse Master Plan in the Lazy B Subdivision. The County suggested that they speak with the Town/Planning & Zoning Commission regarding the proposal and to see if the Town has any comments and/or concerns regarding his project. The Commission reviewed the information and discussed the proposed plan for adoption of townhomes from condominiums. It was decided that the Commission/Town recommend to the county for approval of this project.
