Water Turn Off Sheet

I _____ would like the Town of Alpine to shut off my water at my

Residence/Business, located at: _____

I also realize that the water will be shut off at the meter and the consumer (property owner), will be charged for water as follows for all sizes of active service connections. **Base rate of \$18.00 per month; as base rates are comprised of infrastructure costs.** The consumer shall be also be charged a service fee of Thirty (\$30) Dollars plus all hard costs incurred by the Town in disconnecting/re-connecting water service to a property, i.e., backhoe time, etc.

The consumer further understands that there will be **NO** reduction in Sewer and/or Readiness to Serve Fees and is in agreement to this. Upon decision by the consumer to turn the water back on to the above location; the consumer agrees and understands that all amounts will be brought current before any service is reinstated.

If you have any questions or comments please feel free to call the Town office, at the number listed below, or stop by the office at any time.

Thank you,
Town of Alpine Staff
