

Town of Alpine ~ Sewer Department New Connection Application

I request to make a connection to the Town of Alpine Sewer system. By signing below I agree to follow all rules and regulations of the municipality pertaining to use of such water. Copies of ordinances are available at the Town Office (250 River Circle) or on the website (alpinewyoming.org).

Name of Applicant: _____

Mailing Address: _____

Home Telephone #: _____ Work Telephone #: _____

Lot #: _____ Subdivision: _____

Physical Address: _____

Account Number: _____

Fees: New Sewer Connection - \$7,500.00 per ERU

The standard billing fee, per customer, per month will be effective the first full month after installation of the service. By signing below, I understand and agree to the following:

1. Owner(s) are responsible to pay for and install sewer pipe from the main sewer line to any dwelling.
2. All contractors and subcontractors must obtain a Town of Alpine Business License.
3. The property owner(s) are responsible to have all licensed contractors and licensed subcontractors, request a main locate prior to any digging. Requests can be made by calling the Town Office who will notify the Alpine Maintenance Supervisor or his designee.
4. The Owner(s), contractor(s), or subcontractor(s) will be responsible for any damage to the Town of Alpine's property and/or damage incurred by the owner(s), contractor(s), or subcontractor(s).
5. Failure to schedule and complete a main locate will result in added liability of the owner(s), contractor(s), or subcontractor(s) and may result in a fine.
6. The Town requires owner(s) to use four (4) inch PVC SDR-35 sewer pipe. Any connection larger than four (4) inches requires a construction permit from the Department of Environmental Quality.
7. The Town requires you have a final inspection by the Town Waste Water Operator or designee before back fill is done to your sewer hook-up.
