

If you are interested in a career in law enforcement, are between the ages 14 to 20, and would like to find out what law enforcement is all about, then Explorer Post 2319 is for you.

The Explorer post specializes in all aspects of law enforcement: from accident and crime scene investigation to patrol procedures, building searches and Community Policing. We are active in community service and volunteer work.

We are a social organization, but also provide a learning experience. Our purpose is to introduce post members to current law enforcement concepts, ideas and techniques, under the directions of Udall Police Officers and post advisors.

What do the Explorers of Post 2319 do?

1. **Meetings:** We meet monthly at the Udall Police Department, 110 S Main. We have classes on such topics as criminal law, accident investigation, building searches, self defense, patrol procedures, officer safety tactics, etc.
2. **Patrol ride-along:** Explorers are allowed to ride up to 40 hours per month. You actually get to experience what a police officer does while on patrol.
3. **Special Events:** The explorers are trained in directing traffic and crowd control. They get to assist with various activities that the City of Udall holds including 4th of July festivities, Fall Fest, etc.
4. **Role Playing:** Explorers get to do various role playing after receiving classroom instruction. Some of the activities include, building searches, accident investigation, searches of persons and felony vehicle stops.

Our specialty is law enforcement, but we also strive in volunteer work, community involvement, leadership, discipline, teamwork, and professionalism.

We help Explorers prepare for a career in law enforcement and to become a better candidate if they do decide to go into law enforcement.

Post 2319 was started in late 2009 and is looking forward to a bright future of service in the community.

We cordially invite you to join Post 2319!

Please call the Udall Police Department at 620-782-3322 and speak with Chief Jeremy Billman or Sr. Patrolman Steve Parker if this program interests you or anybody you know.
