

Welcome Summer 

# Threads of Inspiration

## Enjoy Summer Time

We gratefully welcome summer with its longer days, warmer temperatures and promise of relaxation. Summer is a busy season for sewers with garden work, weddings, vacations and day trips, all of which are ideal opportunities to gather inspiration for future projects. Love the color scheme of a wedding? Borrow the bride's choices for a two or three color project! Relaxing poolside is also a great time to get project ideas from current or past magazines. And what better way to remember a vacation than to create a project from fabrics you collected on your trip? (Your family will love that you have your trusty *new Quilter's Travel Companion* so you don't miss any shops along the way!) We will have new samples and fabric lines to inspire you this summer as well! So don't be discouraged if you can't spend as much time as you'd like with your machine during this hectic season; enjoy storing up creative energy for those afternoons when you can make time to sew!

Summer is also a busy season around the shop. We have scheduled some exciting events, including an End of Bolt Sale, our first annual Festival of Holidays, and new classes! We are celebrating Valentine's Day, Easter, the Fourth of July, Christmas and Halloween all in one weekend during our Festival of Holidays in mid-September! Our select Holiday-themed fabrics will be on sale all weekend. We'll also have extended hours, refreshments and door prizes every day of the Festival! In addition to the Beginner Series and the Kindergarten Quilting classes that we have on every schedule, we are excited to offer a curved piecing class, a bag class and a basic binding course this quarter. Despite the fast pace of summer, we hope you can take some time for yourself to enjoy a class, TLC or Bits and Pieces this season.

We look forward to seeing you throughout Summer!

### Beginning Quilter Series

Always wanted to learn how to make beautiful quilts, but haven't known where to start? This class will help you learn the basics of quilt construction from fabric selection, measuring and rotary cutting to piecing, borders, quilting & binding. In the series you will practice grid quilting and completely piece four different project tops.

This class is a five session series.

Homework will be required between sessions to complete the projects.

Instructor: Kathy Hassig

Thursday Afternoons 1-4 Aug. 26 Sept. 2, 9, 23, 30

Class Fee - \$95.00 Book Fee - \$14.95

Please Note:

If you must miss a session, you may attend that class when it is taught in the following series.

### Finish It! Binding Basics

If you aren't sure the best way to put the binding on your projects, or are unhappy with your results, this class will guide you through an effective and simple method for binding projects. You will learn how to calculate binding yardage, miter binding pieces together, machine sew the binding to the project and how to hide the hand stitching on the back of the project in this three hour class.

Instructor - Beverly Diltz

Tuesday - September 28

4:00 - 7:00

Class Fee - \$20.00

### Class Registration Policy

Payment for class is due at the time of registration to hold your seat in the class. You will receive a supply list at the time of registration. If you need to cancel a class, you must notify us 5 days prior to the class date to receive a credit toward another class.

In fairness to all class participants, children and guests may not attend unless registered.

In the event class maximums are met (6) and there is a minimum enrollment (3), we will schedule another class.

Please be familiar with the operation of your machine. Bring the owner's manual and necessary accessories with you to class.

Repairs or adjustments cannot be made during class time. Patterns, books, and supplies are not included in the class fee unless stated.

#### \*Special Classes\*

Get together with 4 or more of your friends, pick your project and we will design a class especially for you!
