## **ANNUAL SPRING AND FALL CLEAN UP DAYS**

Each year the City organizes and advertises City Wide Clean Up Days. Citizens have the opportunity take large items, tires, or excess refuse to a dumpster site at First and Olive Streets. Or citizens may utilize one Friday selected for curbside pick up (no tires allowed). Arrangements are also made with Marion County to dispose of Hazardous Waste items at a specified location in Peabody. This service is available ONLY to active residential utility accounts within the city limits of Peabody, who are currently paying for weekly trash service.
