

Block of the Month 2012

Sign up for our **Block of the Month Club** for 2012! We will be making 12-inch finished sampler blocks from traditional designs. The blocks will be available in three different colorways --- Kansas Troubles, Civil War Inspired and 30s Reproductions. Backgrounds for all three colorways will feature tone-on-tone whites and creams.

Here is how it works:

♦To join our Block of the Month Club, pick a colorway, complete your registration form, and pay a **\$8.50 registration fee**.

♦We will introduce each month's block with a short demonstration of block assembly, tips and techniques, and show off new items in the shop. Demo times will be held on Thursday at 5:30 PM, Friday at 2 PM, and Saturday at 9 AM. You can select which demo time to attend. You can change your time from month to month, to suit your needs. (See back for list of monthly demo dates)

♦You DO NOT need to tell us which time slot you will be attending.

♦Attend the demo each month. Your BOM kit will include the fabric needed to assemble your block, complete instructions, and info about upcoming classes and events at Fabrics Plus. Go home and make the block. Attend the next month's meeting and get your next kit for FREE! (For example, come to any February meeting and get that block for free!)

♦If you attend each monthly meeting, you will have 12 completed quilt blocks for just \$8.50.

A few conditions:

♦If you want to make the block in more than one colorway offered, you may.

♦**To get your free kit, you must attend a demo. There are NO exceptions!** For 2012, you will no

longer have to show us your block, but you will receive a punch on your card if you do, and will be eligible for a drawing at the end of the year!

♦If you can't attend you can still purchase that month's kit for \$8.50 and start over again. Attend the next month's demo, and your next block is again free.

♦If you choose to drop out, please call to let us know. We are preparing kits each month and we need to have an accurate count. If you will be unable to attend for an extended period, please let us know as well, and we will hold your blocks for you.

♦New quilters - We want everyone to be successful! If you need additional assistance with your block, we encourage you to register for one of our Skill Builders classes on how to master your seam allowance, rotary cutting accuracy and quilt completion.

♦If you require additional fabric to complete your block due to cutting or piecing errors, **you can purchase an OOPS Kit for \$20**. Your kit will include one-eighth yard of each fabric contained in the kit, plus four fat eighths of the background fabric, and a coupon for a FREE block to be used during the year. This is a great way to insure you don't run out of fabric during a sewing session!

♦**Show and Tell** - We also encourage you to share your projects with other club members, no matter what your skill level. Bring a project to share and receive a punch entering you in our BOM Show & Tell Drawing.

♦**Finishing Kits** - Finishing instructions will be available to club members at no additional charge. You may use our ideas, or create your own.
