## Correction Sheet

Hugs and Kisses - On page 27 in the Hugs and Kisses Back Cutting Diagram, the measurement for the third piece up from the bottom right corner should be 16" x 6 1/4", not 164" x 6 1/4".

Snowbuddies Quilt - On page 12, the C and D pieces are mislabeled in the Snowman Block Diagram 2. They should be reversed, as shown in the Snowman Block Diagram 3.

Also, if you are having trouble fitting the C-D-E units to the inner square on the Snowman block, there is an explanation. In actuality, the squares cut from the light background should be cut somewhere between 4 1/8" and 4 1/4", but because of the bizarre size, we rounded it up to 4 1/4" and had no problems. However, depending on your stitching, doing this may make the unit a bit too long. We are including templates here that can be used to cut pieces C and D, along with a template for E that has the corners trimmed off for ease in lining up the pieces.

Memories Sampler - On page 20, the 2 1/2" x 10 1/2" background strip should be 2" x 10 1/2", as shown in this diagram.

On page 23, under Small Spools and Stars, the three squares for the center of the stars (medium piece E) should be cut 3" instead of 3-1/2".
