

~Sweet Pickin's Club~

Sweet Pickin's is a 12 month club.

Every three months you will receive 3 newsletters, three exclusive patterns and three extras. The extras are either challenges or small projects.

Newsletter~

The newsletters will have recipes, sewing tips and info on tools/gadgets that work well for quilting.

Patterns~

The exclusive patterns will be a variety of things, such as wall hangings, table runner, and bags. The patterns will use charm squares, fat 1/4"s, and honey buns. The patterns will include a variety of techniques, such as using templates, embellishments and even some embroidery. The patterns will be using pre-cuts from Moda and I will send you info about the fabric used ahead of time, so that you may order the same if you wish.

Challenges~

Every other month, club members will be given a challenge. The challenges will be simple and fun but will make members stretch their creativity. The club members are to do the challenges and bring them to the next meeting to show everyone. When they complete the challenges, they will earn an exclusive club button for them to pin to their bag. Examples of challenges~ decorate a pumpkin, coffee cup cozy, quilter's clock, etc.

Extra projects~

The extra projects/patterns will be small projects. They would be great projects for members to do at the quilt shop, so they can get to know each other better. Examples~pincushion, Christmas ornament, Toasty Toes Tube, etc.

Club Blog~

There is a special blog just for the shops and member of Sweet Pickin's. On the blog, we will be posting our projects that we do for the challenges, projects done in different color ways, fun ideas we find and many other things. We would also like to post pics from your shop of your members and their finished projects. So please send us pictures through out the year. (We will even link the picture to your web-site!)

When you sign up for club, you will receive the web address and password.

When members sign up at your shop, you can give them the web address and password.

Club Schedule~

All info will be sent in a PDF format to your e-mail.

New patterns and newsletters will be send in July for Sept, Oct and Nov.

October for Dec, Jan, Feb.

January for March, April, May.

April for June, July, August.

This schedule should give you time to get the projects done ahead of time and plan your kits.

Club Buttons~

Club buttons can be given for joining and participating in the club challenges.

Buttons are only available from This & That.

Buttons can be ordered in any amount, as needed.

Cost~

Just give us a call for the price.

Important info~

When you receive your newsletter's and patterns, you will receive info on the fabric used in the projects and the gadgets talked about in the newsletter's. This way you may order them when they are available and have them ready for your club members. You may also make the projects out of when ever you wish to match the feel of your shop best.
