Sewing

Read all instructions before beginning project. Use a 1/4" seam allowance and stitch with fabric right sides together unless noted otherwise.

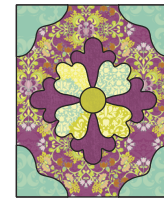

Flower Appliqué

Prepare the appliqué pieces: Trace all flower, corner, and center shapes from the template sheets onto paper side of fusible web. Cut out shapes 1/8" from drawn line. To reduce the amount of fusible web being layered on top of each other, cut out the center of each flower shape, leaving 1/4" of fusible around the edges. Reference the cutting diagrams for correct placement of shapes to fabric. Following manufacturer's instructions, fuse pieces to WRONG side of fabric. Cut out each piece along the drawn line and remove paper backing.

Layering and centering the appliqué: Before you begin, note that this block has two different color variations, five Pink/Lime and four Teal/Magenta.

Make 5

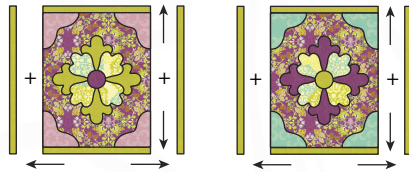

Make 4

Use the placement diagram provided to layer and place the flower and corner pieces on each 8 1/2" x 10 1/2"

Magenta Kaleidoscope background block. An alternate method would be to fold the background block in quarters horizontally and vertically and finger press to find the center. Then use the creases to help place the flower pieces. Once the flower and four corners are placed correctly, fuse everything to the background fabric, following manufacturer's instructions. Machine appliqué around all of the raw edges with coordinating thread using a buttonhole or satin stitch.

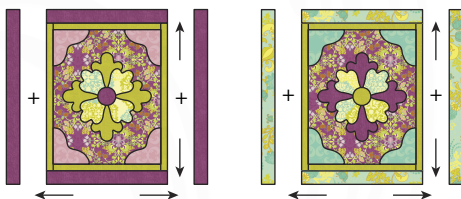

Double Sashing Strips

All nine blocks are outlined with the Lime Texture fabric. Begin by sewing the top and bottom pieces first, pressing seams toward the sashing. Next, add the side pieces and press toward the sashing. Repeat for all nine blocks.

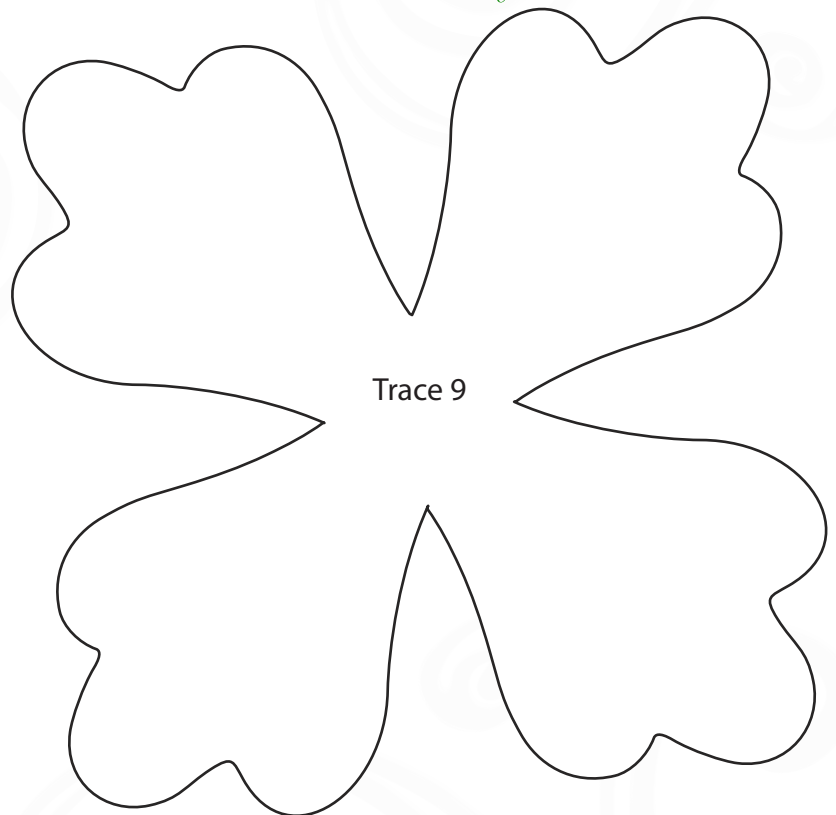

Pink/Lime Blocks: Add the Purple Texture sashing strips in the same manner to these five blocks.

Teal/Magenta Blocks: Add the Lt. Teal Diagonal Floral sashing strips to these four blocks.

Center Assembly

Lay out the blocks as shown, and sew the blocks together into rows. Press seams toward the Purple Texture. Pin and sew the rows together to create the center of the quilt. Press seams according to arrows. This section will measure approximately 33 1/2" x 39 1/2".

Border

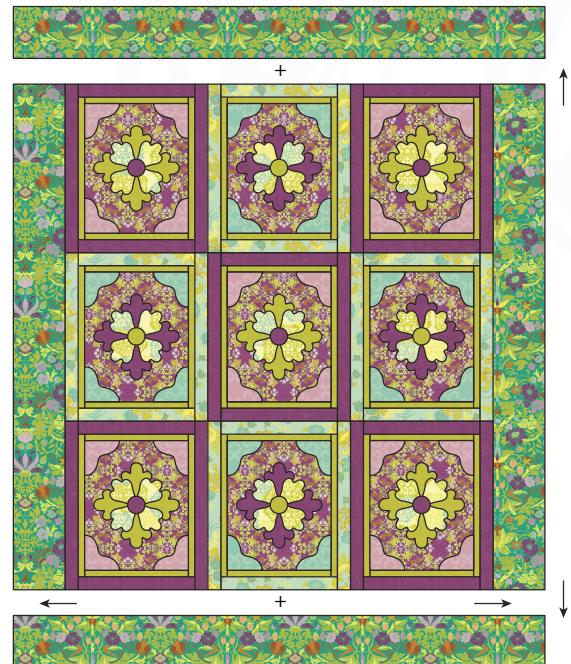

Pin and add the two 4 1/2" x 39 1/2" Teal Lotus side borders first. Press seams toward the border. Add the two 4 1/2" x 41 1/2" Teal Lotus top and bottom borders to complete your quilt. Press seams toward the borders. Finished size should measure approximately 41 1/2" x 47 1/2".

Finishing

Cut the three yard backing fabric piece into two 1 1/2 yard pieces. Remove selvages and stitch together along the 54" edge. Press seam open. Trim top and bottom evenly so backing is about 54" x 60".

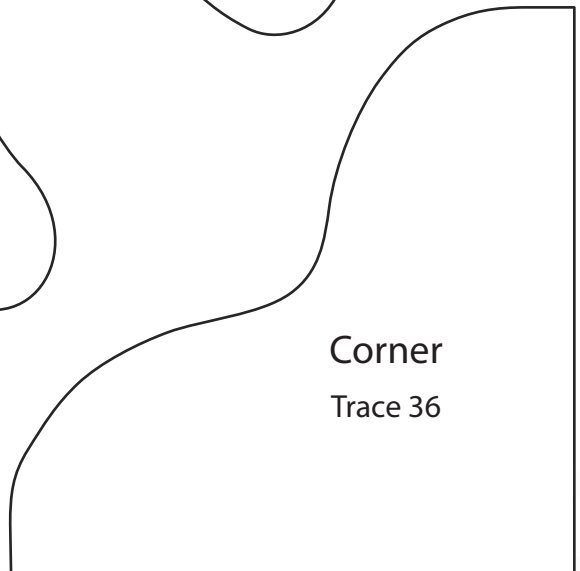

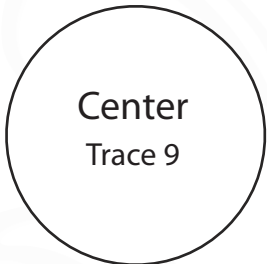

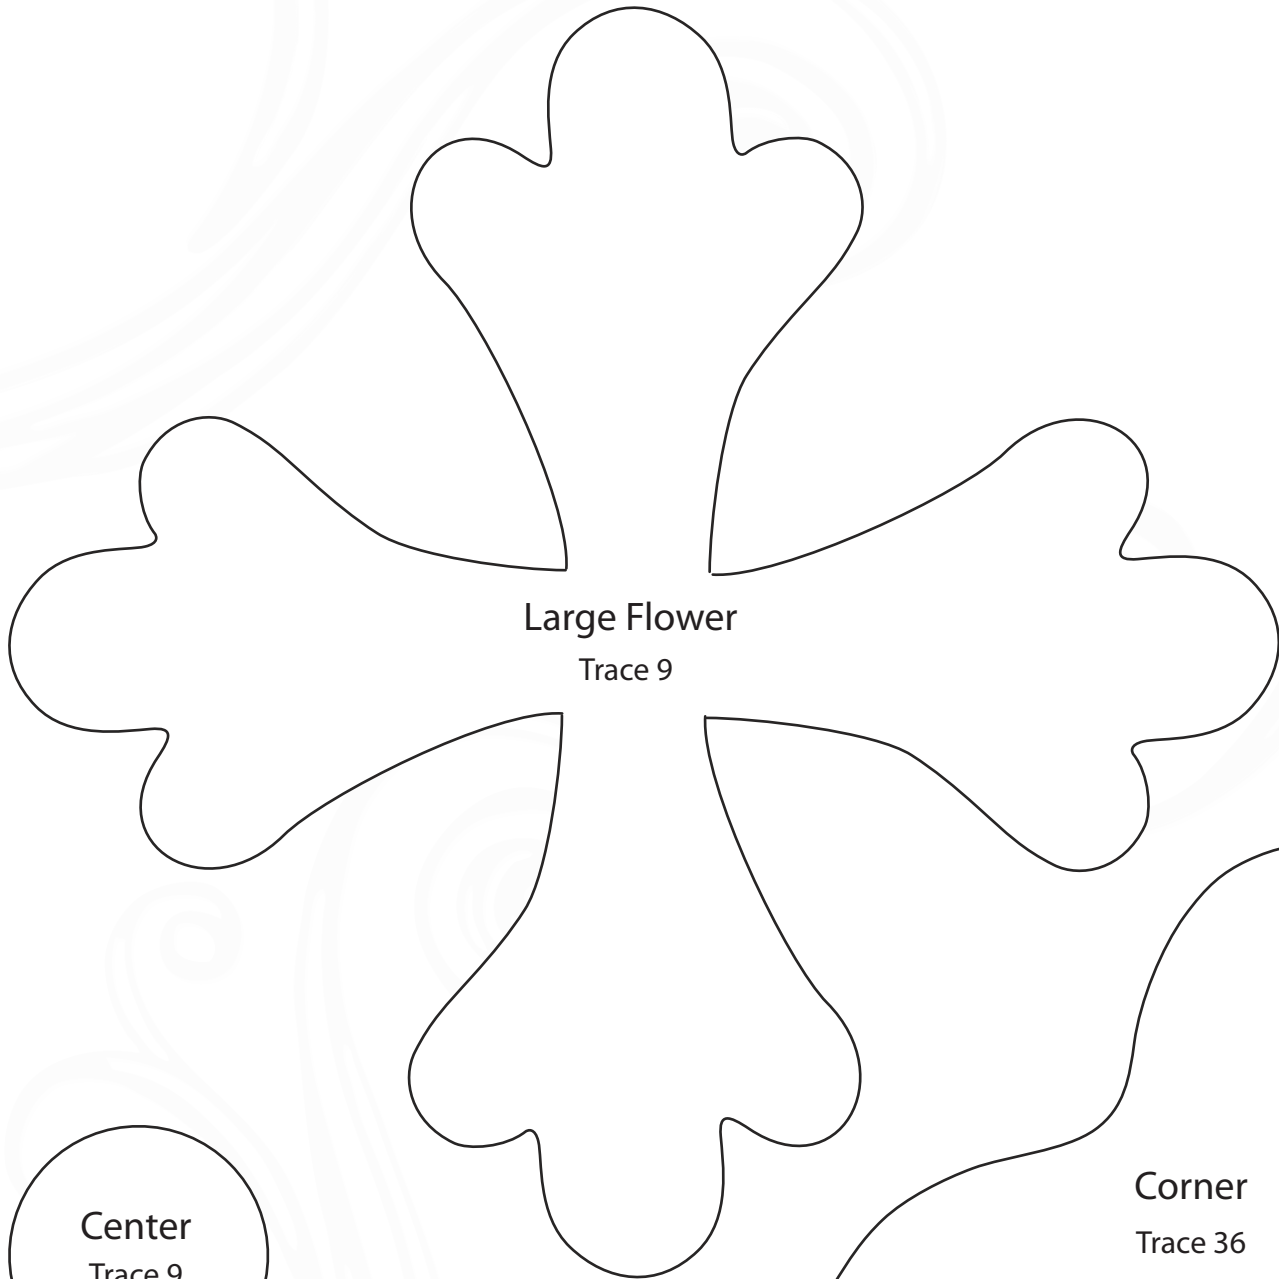

Layer backing (wrong side up), batting, and pressed quilt top; baste well. Quilt as desired and trim excess batting and backing when quilting is complete.

Cut the ends of the five Purple Texture binding strips at a 45-degree angle and sew end to end to make one continuous piece of binding. Fold in half lengthwise and press wrong sides together. Sew the binding to the front of the quilt, raw edges together. Turn the folded edge to the back, and hand stitch in place.
