Town of Milliken

September 2009

MESSAGE FROM THE MAYOR:

How has the summer gone by so quickly? By the time you read this, our schools will be in full swing. The many things we anticipated doing this summer are now over.

I hope this has been a wonderful summer for everyone. The Beef and Bean Day celebration was a huge success and I not only want to thank all of you who participated in that event but I want to thank all the staff personnel who worked so very hard to make it such a huge success!

The National Night Out event was also wonderful. I think this was enjoyed by the children and the adults equally. I have never seen so much cotton candy disappear! It is always a very positive thing to have the Police, Fire District personnel and Town staff involved in this event.

You will be seeing more information in the future concerning Milliken's Centennial. Yes, Milliken will be 100 years old in 2010! Many events are planned so watch for that information, too.

How about the new Police Station?! It is looking wonderful and the work is on schedule! The goal is to be in the building by October. I am sure there will be an Open House and I hope many of you will take the opportunity to go through that building. It is a true model of how the police and the community can partner. Watch for the Open House date!

There will still be many more days of warm temperatures. Please continue to be considerate of your neighbors. We have a number of folks in our community who must get up very early to go to work so must go to bed very early in the evening so try to keep car and home radios etc. at a low level. Be a good neighbor!

Enjoy the rest of the summer and warm weather. Enjoy the outdoors. Watch for all our Centennial events coming up. I encourage you to be involved in community activities. There is no better way to meet your neighbors and to be a part of your Town.

JOY!

Janie Lichtfuss

NATIONAL NIGHT OUT 2009

The Milliken Police Department and the Milliken Fire Department would like to thank the Mayor and Board of Trustees, Ace Hardware, Colorado Community Bank Of Milliken, Grand Rental Station of Johnstown, Buckeye Welding, Dollar General, Roo Jumps, Jerry and Joann Kilgore and Kari's Clowns and Paints for helping make National Night Out a successful event. Hope to see you all next year.

CLEAN-UP DAY

SATURDAY,
OCT. 10TH !!!!

The Milliken Centennial Celebration Committee has been hard at work on many different projects this summer. The Committee consists of four sub-committees and a steering committee. The four subcommittees include Arts and Education; the Town's Birthday; the Milliken Historical Society; and the Veteran's Memorial. This summer, the Centennial Committee has placed the Time Capsule into the wall of the new Police Station, had two bingo sessions, and was active in Beef and Bean Day with a float in the parade, a booth, and the barbeque. But we can do more. Please come join us and contribute your thoughts to the planning of the Town's Centennial at our next meeting on Tuesday, October 6th, 2009, Town Hall, at 6:30 pm.
