## COMMENT SHEET May 15, 2008

1. What are your biggest concerns related to transportation in the Milliken area?

Condition of roads  
Truck traffic  
Entryways into Town (Attractive)  
Connections to Surrounding Communities

2. In what area would you most like to see transportation improvements in Milliken?

- Paving
- Additional roadway capacity (roadway widening)
- New roadway connections
- Intersection improvements (traffic signals, roundabouts, auxiliary lanes)
- Pedestrian/bicycle improvements (safer cross-walks, sidewalks, trails)
- Public transit service (to Greeley, Fort Collins, Denver, DIA, etc.)

Windsor/Johnstown - I-25

3. Other Comments/Questions

- Rail connections & transit options are important.  
- Paving some of our more used dirt roads

## COMMENT SHEET May 15, 2008

1. What are your biggest concerns related to transportation in the Milliken area?

No Public Transportation To EVANS/GREELEY OR TO LOVELAND  
Both for walking & shopping. SOME TYPE OF TRANSPORTATION  
Between - Johnstown & Milliken

2. In what area would you most like to see transportation improvements in Milliken?

- Paving
- Additional roadway capacity (roadway widening)
- New roadway connections
- Intersection improvements (traffic signals, roundabouts, auxiliary lanes)
- Pedestrian/bicycle improvements (safer cross-walks, sidewalks, trails)
- Public transit service (to Greeley, Fort Collins, Denver, DIA, etc.)

3. Other Comments/Questions

REMOVE TRUCK TRAFFIC FROM DOWNTOWN AREA OF  
MILLIKEN (TRUCK ROUTE) THIS WOULD HELP REVIVE THE  
LOCAL BUSINESS.

COMMENT SHEET
May 15, 2008

1. What are your biggest concerns related to transportation in the Milliken area?

100 many big trucks - going through - (Downtown)
and do NOT slow down.
NOT enough roads to move traffic
through.

2. In what area would you most like to see transportation improvements in Milliken?

- checkbox Paving
checkbox Additional roadway capacity (roadway widening)
checkbox checked New roadway connections
checkbox Intersection improvements (traffic signals, roundabouts, auxiliary lanes)
checkbox checked Pedestrian/bicycle improvements (safer cross-walks, sidewalks, trails)
checkbox checked Public transit service (to Greeley, Fort Collins, Denver, DIA, etc.)

3. Other Comments/Questions

would be nice to have traffic
slow down, coming through "Broad Street"
for the businesses!
Passing of other roads 21-46-25

## COMMENT SHEET May 15, 2008

1. What are your biggest concerns related to transportation in the Milliken area?

Truck traffic through town - shaking buildings as they "barrel" through - not adhering to the speed limit.

2. In what area would you most like to see transportation improvements in Milliken?

- Paving
- Additional roadway capacity (roadway widening)
- New roadway connections
- Intersection improvements (traffic signals, roundabouts, auxiliary lanes)
- Pedestrian/bicycle improvements (safer cross-walks, sidewalks, trails)
- Public transit service (to Greeley, Fort Collins, Denver, DIA, etc.)
