

Message from the Mayor:

GET READY! Many things are happening during the next couple of months. The Centennial Committee is really working hard putting together events to celebrate Milliken's 100th year. This past Saturday was a WINE AND JAZZ evening. There is a calendar the Committee is selling that has all the events listed. The calendars are for sale from members of the Committee or you can purchase one at the front desk at Town Hall. They are well worth the money. Check them out.

Easter is just around the corner and on Saturday, April 3 is the Easter Egg Hunt at Sappington Park (by Knowledge Quest Academy). Hopefully, everyone was able to participate. That really means Spring is here. It also means that the schools are having field trips and as the weather improves, youngsters young and old(er) will be outside enjoying the sun. Watch for them so no one gets hurt.

Speaking of spring, one HUGE event coming up is the Town's Clean-up Day. That will happen on Saturday, April 17. This is a great time, and way, to get rid of trash, branches, even batteries and other toxic items. Clean-up items can be brought to Public Works. Come early because the lines get longer every year.

There are some really exciting things being planned for the summer that I think most of you will really enjoy—but I will save that for another newsletter. Meanwhile, start cleaning those garages, basements and trimming the shrubs and trees around your yard. Being cleaned up and organized will help you enjoy all the fun that will happen this summer.

Does it feel as though the time is just rushing along?

Joy! *Janie Lichtfuss, Mayor*
