

# MILLIKEN MESSENGER

TOWN OF MILLIKEN - CELEBRATING 100 YEARS: 1910-2010

JULY 2010 NEW WEBSITE: [www.millikenco.gov](http://www.millikenco.gov)

## Message from the Mayor:

There have been a lot of events in Milliken, of late. Did you attend the Memorial Day service at the area of the proposed permanent Veteran's Memorial? It was a very nice event and also let people know how the new memorial will look. Please watch for further information on that.

How about that train?! Did you tour it? That was a huge event for Milliken, one to be remembered for a lifetime.

There is work being done on a Dog Park. I think that will be a great addition for Milliken. I am sure that dog owners will appreciate that park and find it to be a great place to meet and chat.

There is also work being done on the "old" Police Station. Stay tuned on that because I believe that will also be a GREAT asset to the town.

Now we look forward to the Senior's Garage Sale and Centennial Madness Day in July; National Night Out and Beef N' Bean Day in August. I could go on and on. The point is this: There are many events in which to become involved and the more you are involved, the more you will have a personal "ownership" in Milliken. While I am still, slowly, getting around to every home in Milliken in order to meet everyone, I would certainly meet you as you participate in one or more of the various events planned in the Town. That would be a win-win opportunity for us all.

See you soon.

JOY!

Janie Lichtfuss, Mayor

**Northern Colorado Friends of Ferals** is a new all-volunteer program working through the Animal Rescue Connection and dedicated to reducing the feral cat population in Northern Colorado by spaying and neutering cats before they have unwanted litters. This is the best way to control and eliminate feral cats.

Cats from feral colonies are trapped, taken to a clinic, spayed/neutered, vaccinated for rabies and distemper, have their ears notched and then returned to their colonies.
