

Kudzu Blossom Quilt Shop News

February 22, 2010

OZ! Have you seen this fun loving new line from Moda? Be sure to check out the sample Paula made. The "Brick Road" stripe yardage is perfect for bindings. I know I couldn't resist this line – and it isn't one of those purchases that went right into my stash – I've already made 50 pinwheels blocks.

Garden Party from Blackbird Designs

The whole line is in the shop and it is lovely. Look for it on the website this week.

Shop Demonstrations

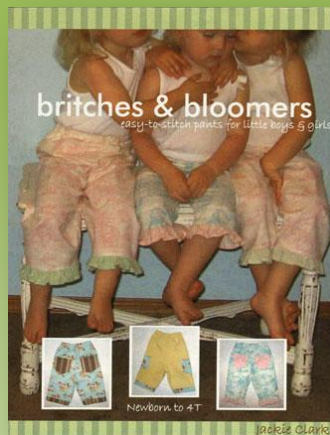

Come by the shop on a Saturday and you may find one of our talented quilters demonstrating different projects and quilting techniques. The demonstrations will be posted on the website calendar as well. [Click here to open the calendar](#)
