Beginning Machine Quilting Class

It's always a sell out! The March 13th class is full. We added another session on Wednesday April 21st for those of you who missed out on the March class. Don't wait to register, this class goes fast.

First Saturday 2010

Don't forget that the 2010 First Saturday Quilts will be revealed on Saturday at the shop. There are two color ways to choose from. Both are lovely and it will be hard to choose just one!

Shop Demonstrations

Come by the shop on a Saturday and you may find one of our talented quilters demonstrating different projects and quilting techniques. The demonstrations will be posted on the website calendar as well. [Click here to open the calendar](#)

March 6th, 11am-1pm

Triangulations Demonstration

Join Al Medina as he works with [Brenda Henning's Triangulations](#) CD for easy half-square and quarter-square triangles.

I just made 50 pinwheels using this technique with fantastic results! And don't forget to check out Marsha McCloskey's [Precision Trimmer 6](#) for trimming the half square triangles to size.
