## Portable Projects—Spotlight on Hand Piecing

Do you like portable projects? Well, we certainly have lots of projects for you to choose from.

Cindy Blackgerg's Hand Piecing stamps have arrived. These nifty little rubber stamp "templates" take the tedium out of preparing your fabrics for hand piecing. Each template stamp includes the cutting and sewing line. Just stamp the template onto the back of your fabric, trim and go! We have a variety of patterns to choose from, including [Carpenter's Wheel](#), [Baby Blocks](#), [Apple Core](#), [Sawtooth Star](#), [Spools](#), and [Churn Dash](#). Bet you can't just make one! We've also added a class on the [Spool Block](#) for new hand piecers.

Don't miss out on the ever popular [Portable Patchwork](#) hand piecing class or the new [Sew-N-Sews Hand Piecing Club](#) for more experienced hand piecers.

English Paper piecing is another fabulous hand project. We have added six pointed Diamonds, Dresden Plates and multiple sizes of hexagons papers for your pleasure.

## News July 6, 2010

We hope you had fabulous Independence Day. Food abounded around here—my friends smoked the best Boston Butt (pork shoulder) I've ever eaten. Homemade cobler from locally picked peaches was also a winner. And the recipe came from "Cooking from Quilt Country" How could we go wrong with a cookbook that features the word *quilt* in it's title? Seriously, this is one of my all time favorite cookbooks.

## Things You Should Know

*We just wanted to let you know that we will be working on the classroom July 15-16 and that the restroom and clearroom area won't be available on those days.*

## Christmas In July

Don't forget that we are celebrating Christmas on July 17th. Adoring is one of the lines that will be featured that day. I love everything Christmas—but this line is extra special. We have kits

made up for two quilts: *Angelica* and *Adoring*. Linda outdid herself with these two beauties. We will have lot's of fabrics and kits to look at, as well as some specials that day. We hope to see you then.

**Quilt-A-Long** Have you ever participated in a Quilt-A-Long? Well, we are going to launch one later this month. This is a personal challenge—make a simple block once a day for a month, and you may have enough blocks to make a quilt. Along the way, we'll give you constructions tips and potential patterns for the block. The block will be revealed after Christmas (the one in July that is). You don't need to buy anything and no one will hold your feet to the fire if you miss a deadline. Get your scraps ready. More information will follow, and we might even be up on Facebook in time for this fun activity.

**Happy Quilting,**
