Quilts of Valor Foundation is a non-profit organization that along with many quilters is responsible for distributing over 32,000 Quilts of Valor to American service members and veterans since 2003. As quilters, we understand the therapeutic value of making a quilt and the joy of giving a quilt. The "Under Our Wings" campaign pairs a coach (you) with a rookie quilter for a fun day of easy patchwork. As a coach, you will bring your machine & supplies while the rookie is responsible for the Quilts of Valor fabric kit. Together you will make a gift of thanks.
