Cutting

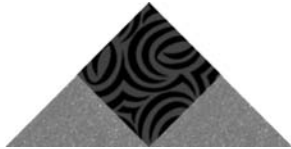

All strips are cut across the width of fabric (wof).

- From the red solid, cut: (5) 1 1/2" x wof middle-border strips (52) 2 7/8" squares; cut once diagonally to make (104) triangles
- From 787 K, cut: (26) 2 1/2" squares
- From 788 WK, cut: (26) 2 1/2" squares
- From 790 WK, cut: (7) 4 7/8" squares; cut once diagonally to make (14) triangles (1 is extra)
- From 786 K, cut: (7) 4 7/8" squares; cut once diagonally to make (14) triangles (1 is extra)
- From 788 K, cut: (7) 4 7/8" squares; cut once diagonally to make (14) triangles (1 is extra)
- From 790 KW, cut: (7) 4 7/8" squares; cut once diagonally to make (14) triangles (1 is extra)
- From 791 WK, cut: (24) 2 1/4" squares, cut once diagonally to make (48) triangles
- From 789 K, cut: (24) 2 1/2" squares
- From 790 K, cut: (6) 5 1/2" x wof outer-border strips (7) 2 1/2" x wof binding strips (24) 2 7/8" squares; cut once diagonally to make (48) triangles
- From 789 WK, cut: (24) 2 1/4" squares, cut once diagonally to make (48) triangles
- From 791 K, cut: (24) 2 7/8" squares; cut once diagonally to make (48) triangles
- From the white solid, cut: (5) 2 1/2" x wof inner-border strips (24) 2 1/2" x 8 1/2" strips

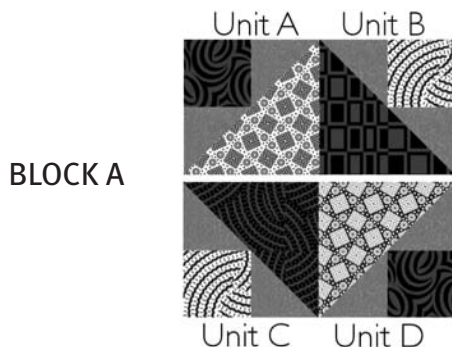

Construction

Block A

1. For corner A units (see illustration following step 7), sew two red triangles to adjacent sides of a 787 K square. Make (26) units.

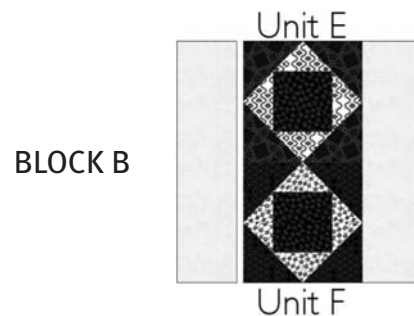

2. In the same manner, sew red triangles to adjacent sides of a 788 WK square to make corner B units. Make (26) of these units.
3. Sew a 790 WK triangle to a corner A unit to make (13) A units. Trim to 4 1/2" square, as needed.
4. Sew a 786 K triangle to a corner B unit to make (13) B units. Trim to 4 1/2" square, as needed.
5. Sew a 788 K triangle to a corner B unit to make (13) C units. Trim to 4 1/2" square, as needed.
6. Sew a 790 KW triangle to a corner A unit to make (13) D units. Trim to 4 1/2" square, as needed.
7. Lay out one A unit, one B unit, one C unit, and one D unit in a four-patch arrangement as shown. Join the A units to complete the block. Make 13 of block A and trim them to 8 1/2" square, as needed.

Block B

8. For unit E, sew four 791 WK triangles to a 789 K square. Trim to 3 3/8" square, as needed. Then sew 790 K triangles to the unit as shown to complete unit E. Make 12 and trim them to 4 1/2" square, as needed.

9. For unit F, sew 789 WK triangles to a 789 K square. Trim to 3 3/8" square, as needed. Then sew 791 K triangles to the unit as shown to complete unit F. Make 12 and trim them to 4 1/2" square, as needed.
10. Sew E and F units together in pairs. Then sew a white 2 1/2" x 8 1/2" strip to opposite sides to complete block B. Make 12 of block B. Trim them to 8 1/2" square, as needed.

Assembly

11. Lay out the A and B blocks in five rows of five blocks each, alternating them and rotating the B blocks as shown in the photo. Join the blocks into rows, and then join the rows.
12. For the inner border, join the white 2 1/2"-wide strips end to end. Measure the length of the quilt and cut two strips to this length. Sew the strips to the sides of the quilt top. Measure the width of the quilt top and cut two strips to this length. Sew the strips to the top and bottom of the quilt top.
13. Join the red 1 1/2"-wide strips end to end. In the same manner, measure, cut and sew the strips to the sides and then the top and bottom of the quilt top for the middle border.
14. Join the 5 1/2"-wide strips of 790 K end to end. In the same manner, measure, cut and sew the strips to the sides and then the top and bottom of the quilt top for the outer border.
15. Layer the quilt with batting and backing; baste. Quilt as desired and bind the edges to finish.
