Sing A Song

Quilt designed by Sue Garman using her *Sing A Song* fabric collection for P&B Textiles
 Quilt pieced by Debbie Stojanik and quilted by Cynthia Clark
 Size: 50" square

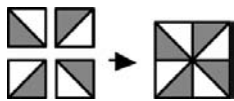

Fabric Requirements and Cutting Instructions

FABRIC	YARDAGE	CUT THE FOLLOWING PIECES:
SING 691 Y Panel square	1 panel	(5) 8 1/2" blocks of your choice; centering the motif in the middle of each
SING 692 Y Rose border	1 1/4 yards	(4) 5 3/4" x 41" lengthwise strips; center the rose vine in the middle of each strip
SING 695 G Green dots	1/4 yard	(8) 2 5/8" squares; cut once diagonally to yield 16 triangles (small pinwheels) (5) 4 7/8" squares; cut once diagonally to yield 10 triangles (dogtooth border)
SING 695 B Blue dots	1/4 yard	(8) 2 5/8" squares; cut once diagonally to yield 16 triangles (small pinwheels) (5) 4 7/8" squares; cut once diagonally to yield 10 triangles (dogtooth border)
SING 695 P Pink dots	1 1/4 yards	(2) 7/8" x 28 1/2" border strips (2) 7/8" x 29 1/4" border strips (2) 7/8" x 39 3/4" strips (2) 7/8" x 40 1/2" strips (20) 1 1/2" squares (sashing squares) (8) 2 5/8" squares; cut once diagonally to yield 16 triangles (small pinwheels) (8) 2 7/8" squares; cut once diagonally to yield 16 triangles (larger pinwheels) (5) 4 7/8" squares; cut once diagonally to yield 10 triangles (dogtooth border) (5) 1 1/2" x width-of-fabric (outer-border strips) (6) 2 1/4" x width-of-fabric (binding strips)
SING 695 Y Yellow dots	1/4 yard	(8) 2 5/8" squares; cut once diagonally to yield 16 triangles (small pinwheels) (5) 4 7/8" squares; cut once diagonally to yield 10 triangles (dogtooth border)
White-on-white	1 1/4 yards	(32) 2 5/8" squares; cut once diagonally to yield 64 triangles (small pinwheels) (8) 2 7/8" squares; cut once diagonally to yield 16 triangles (small pinwheels) (20) 4 7/8" squares; cut once diagonally to yield 10 triangles (dogtooth border) (16) 1 1/2" x 4" (sashing strips) (24) 1 1/2" x 8 1/2" (sashing strips)
BACKING	3 1/4 yards	Any <i>Sing A Song</i> fabric

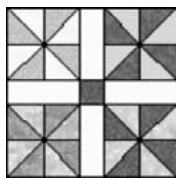

Assembly

1. Using the $2\frac{5}{8}$ " pink triangles and white triangles, make (16) pink/white half-square triangles. In the same manner, make (16) blue/white half-square triangles, (16) green/white half-square triangles, and (16) yellow/light half-square triangles. The half-square triangles should all measure $2\frac{1}{4}$ " square.

2. Lay out (4) pink/white half-square triangles as shown. Join the pieces to make a pinwheel block. The block should measure 4" square. Make (4) pink/white blocks. Repeat to make (4) yellow/white blocks, (4) blue/white blocks, and (4) green/white blocks.

3. Lay out one block of each color combination, (4) $1\frac{1}{2}$ " x 4" white sashing strips, and (1) $1\frac{1}{2}$ " pink square as shown. Sew the pieces into rows and then join the rows to complete the block. The block should measure $8\frac{1}{2}$ " square. Make (4) blocks.

4. To make the block rows, lay out the Sing A Song blocks, the pinwheel blocks, and the $1\frac{1}{2}$ " x $8\frac{1}{2}$ " white sashing strips as shown in the photo. Join the pieces in each row, starting and ending with a sashing strip. Make (3) block rows.

5. To make the sashing rows, join (4) $1\frac{1}{2}$ " pink squares and (3) $1\frac{1}{2}$ " x $8\frac{1}{2}$ " white sashing strips, starting and ending with a pink square. Make (4) sashing rows.

6. Sew together the blocks rows and sashing rows as shown in the photo.

7. Sew the pink $28\frac{1}{2}$ " - long strips to the sides of the quilt center. Then sew the pink $29\frac{1}{4}$ " - long strips to the top and bottom of the quilt.

8. Sew the Rose borders to the quilt top. Finish the corners with mitered seams.

9. Sew the pink $39\frac{3}{4}$ " - long strips to the sides of the quilt center. Then sew the pink $40\frac{1}{2}$ " - long strips to the top and bottom of the quilt.

10. Using the $4\frac{7}{8}$ " pink triangles and white triangles, make (10) pink/white half-square triangles. In the same manner, make (10) blue/white half-square triangles, (10) green/white half-square triangles, and (10) yellow/white half-square triangles. The half-square triangles should all measure $4\frac{1}{2}$ " square.

11. Referring to the photo for placement guidance, sew together (10) half-square triangles from step 10 to make a border strip, joining like-colored triangles to create larger triangles. Make (4) border strips.

12. Using the $2\frac{7}{8}$ " pink triangles and white triangles, make (16) pink/white half-square triangles. The half-square triangles should measure $2\frac{1}{2}$ " square.

13. Repeating step 2 and using the half-square triangles from step 12, make (4) pinwheel blocks. The blocks should measure $4\frac{1}{2}$ " square.

14. Join a border strip from step 11 to opposite sides of the quilt top as shown in the photo. Sew a pinwheel block from step 13 to both ends of each of the two remaining border strips and then sew them to the top and bottom of the quilt top.

15. Join the $1\frac{1}{2}$ " - wide pink outer-border strips end to end. From the strip, cut (2) $48\frac{1}{2}$ " - long strips and (2) $50\frac{1}{2}$ " - long strips. Sew the shorter strips to the sides of the quilt top and then sew the longer strips to the top and bottom of the quilt top.

16. From the leftover green dots, make (16) $\frac{1}{2}$ " - diameter circles. Appliqué the circles in the center of each sashing square, using the appliqué method you prefer.

17. Using the leftover blue dots, yellow dots, pink dots, and green dots, prepare and appliqué a 1" -diameter circle in the center of each pair of half-square triangles in the outer border. Refer to the photo as needed.

18. Layer the quilt top with batting and backing; baste. Quilt as desired and bind the edges to finish.
