

Diane Doris, May 2011 Quilter of the Month

Meet Diane Doris, the quilter of the month for May. Diane started quilting seriously about 10 years ago when she went to Quilt Camp and took a class taught by Sue Anderson. Diane loves to make log cabin quilts best of all. She hasn't yet tackled a star block yet but is always eager to try new techniques. Her current project is binding a king size quilt to put in the local quilt show.
