

Meet Char Ruelle, our August 2011 Quilter of the Month. Char began quilting only one year ago and has been real busy quilting up a storm! She decided to take a quilt class offered by Quilter's Corner store owner, Dianne Krenik which was "Six Halves Make A Whole", pictured above and then took another class entitled "Kaleidoscope" taught by Sue Anderson. Char's mom, LaVerne Steele and aunt, Charlotte Porter gave her the sewing bug when they encouraged her to try hand sewing a couple years ago. Char's sister-in-law, Becky Steele also loves to encourage Char to try new things. Char loves taking a little piece of fabric and adding to it to create a beautiful quilt. She is currently working on a quilt called "Life On The Farm" and a fall wall hanging. Her favorite quilt technique so far is the twister template with the kaleidoscope template coming in second. Char is also busy with her hubby Ronnie running around with their three grandkids, Olivia, Justin, and Jackson!
