

Meet Paulette Schanus, our September 2011 Quilter of the Month! Paulette has been quilting for over 15 years and was taught by the legendary Mayadell Bollefer. The fabrics are what inspires Paulette to keep quilting. She is currently working on Christmas gifts and her favorite projects are wall hangings. Her favorite technique is machine applique. The beautiful quilt pictured above was hand quilted by her! WOW! Paulette also enjoys gardening in her spare time. She is the owner of Paulette's Body Shoppe in International Falls. She and her husband Gary reside in Ray, MN and they have 2 grown children, Susan and Jacob, and 2 1/2 grandchildren, Lauren, Alyssa and one on the way! Thank you Paulette for being our September Quilter of the Month!
