

Meet Diane Wright, our November Quilter of the Month! Diane is a self taught quilter and has been busy creating quilts and other projects for 4 1/2 years now. Diane will admit that she is addicted to fabric and that is what keeps her inspired to keep quilting! She is currently working on a Flowers in the Park Dresden Table Topper, a quilt as you go pineapple rag quilt and a christmas tree skirt. The next technique that Diane is going to try is machine paper piecing and will do that this winter when the snow is flying! Diane has been retired from Boise Cascade for 15 years now and also from Wells Fargo Bank for 13 years. Diane misses her husband, Ron, who passed away 5 1/2 years ago. She has two grown children, Bob and Kristie, and 2 grandsons, Austin & Brady, and 2 granddaughters, Lexi & Livi. Diane is a real joy to be around because she is always laughing and joking around! Thank you, Diane for being our November Quilter of the Month!
