

Meet Donna LaJambe our Quilter of the Month for January 2012. Donna has been quilting for over 25 years now after teaching herself how by watching many quilting programs on television. Donna admits that quilting is an addiction and she loves to see the projects come to life that she wanted to try. Donna's current projects are a bargello quilt and a first attempt at reverse applique. Her favorite technique is applique and as you can see by the quilt in the photo she has mastered it very well! The quilt is out of the book called "Quilting the Lodge Look" by Debbie Field. Donna also enjoys sewing doll clothes as gifts for her granddaughters. Donna has been retired from State Bank for 50 years. She is the widow of Charles and this year they would have celebrated 61 years of marriage. Donna is the mother to Shelley Morin of International Falls and sons, Dennis and Danny who sadly have both passed away. Donna has 5 grown grandchildren, Chrystal, Gina, Derek, Bev, and Brad. Great grandchildren Shania, Jay, Mason, Vida, and Kayloni. Donna is such a sweetheart! Thank you Donna for being our quilter of month for January!
