

Meet Pam Moss our Quilter of the Month for May 2012. Pam has been quilting since high school when she made her first quilt ever for her BFF! Pam didn't seriously quilt after that until about 1992. Her mom taught her how to sew since she was a seamstress herself but after that Pam has been self taught. Pam's inspiration to keep on quilting is all the beautiful fabrics! She is currently working on two tote bags and also a mystery quilt that is a block of the month. Pam's favorite patterns are the Disappearing Nine Patch and the Take 5. Pam admits she is adventurous when it comes to quilting and will try just about anything! Pam's other hobby is knitting. Pam has been employed by United Health Group for almost 25 years. She will be married to her hubby, Ken, for 25 years in October of this year and they have one daughter, Serina, who is graduating from Falls High this year. Pam is such a fun person to be around because she is so outgoing! The name of the pattern of the quilt pictured with Pam is called "Around The Block" and is from the "On A Roll Again" book by Heather Mulder Peterson. Fabric line is called Pumpkin Pie.
