

LONE★STAR Quiltworks

4301A S. Texas Ave.

Bryan TX 77802

979 595 1072

Good Morning. I am writing this from our new home! Our move is complete; however, we are still tweaking things throughout the store. Our phone number stayed the same, and our new address is listed above. Not a major change address wise; we just moved to Suite A! There is a huge change in the overall store appearance - much more open, lighter, and brighter. The **Man Cave** is up and running for our customer's spouses or friends to rest! Stop by and visit if you can to see our new digs.

We still have a few spaces left on our **Saturday, July 16th and Sunday, July 17th Quilter's Quest Bus Trip.** Wouldn't you like to visit 6 shops in two days on a coach bus, have lunch provided each day, and stay overnight all for \$150.00? Does this intrigue you? Well, if so, please call the shop at the number listed above. Grab a friend and ride the bus with us! If you can't find a buddy to go with you, we can pair you up with a new pal. Please note if you are already signed up for this trip, we will be emailing you an itinerary directly after the July 4th weekend.

Speaking of July 4th, our shop will be closed on Saturday, July 2nd to allow our employees a little extra time with their families after our big move. We are tired puppies! Don't forget we are regularly closed on Sunday and Monday. We will open on Tuesday, July 5th at 10AM after the holiday weekend.

Do you have some items from your stash you would like to find a new home for? I recently attended a seminar with other quilt shop owners. One of the ladies I met owns a shop outside of Joplin, Missouri. The local quilt guild in Joplin had their meeting place wiped out by the tornado. Hence, they have no quilting supplies. Kathy has started a drive for quilters to **Reguild Joplin.** If you would like to send fabric, notions, patterns, etc that you no longer use, please mail them to Reguild Joplin, c/o The Quilt Shoppe, 118 Hill St, Stewartsville, MO, 64490.

All of our **Christmas 2011** fabric has been slowly dwindling into the shop. There are some beautiful lines this year as always. Everything from brights to reproductions, with a few classic favorites thrown in. We are fast and furiously working on samples and kits.

If you are an embroidery guru don't forget about our **Buy One, Get One Free closeout of Superior** Living Colors thread. We have added many new fabrics to our sale area. Both our mini-bolts and our 2 yard cut minimum sale fabric work out to approximately \$5.00 per yard. How can you go wrong with this when fabric is approaching \$11.00 per yard?

Make certain you have your calendars marked for two special events in September. The first is **Quilt Across Texas**, our premier statewide shop hop. We are now selling **The Guide** at LSQW. The cost is \$5.00 to you with a \$5.00 off coupon that can be used at any of the over 90 participating shops. Even if

you don't plan on hopping, this is a great reference manual for quilt shops located in Texas. Keep it in your car for your next out of town trip! Remember, the Quilt Across Texas Shop Hop is during the **whole month** of September; so jump on board and visit some new quilt shops. To view details click on this link <http://www.quiltacrosstexas.com>

The second item to place on your calendar is our own **Brazos Bluebonnet Quilt Guild Bi-annual Quilt Show**. This show will be held at the Brazos Center also during September. The dates are Friday, September 9th and Saturday, September 10th. We are carrying a postcard flyer at the shop giving you \$1.00 off of your entry price. The guild is a non-profit organization that aims to further education about quilting in our community. Please support these ladies and gentlemen by attending this show as this is one of their major fundraisers. They are working very hard to provide a wonderful show for you. I will post specifics concerning the show at a later date. To view details click on this link <http://www.bbqg.org>

Many, many thanks to all of our employees and friends who helped us make the move to our new shop. The hours put in by everybody, and the goodies brought by customers were greatly appreciated.

Have a safe 4th of July holiday. If you are traveling buckle up, and if you are barbecuing please be careful using your grill.....**Terry**
