## UFO CLASSES

**Definition:** Quilters have tagged a unique meaning onto the term UFO.

They're not objects flying around in the sky (unless we toss them around because they're so ugly). A UFO is an Unfinished Object--the remnants of those quilts we start to make but never seem to

finish.

You'll find UFOs tucked away in the bins and baskets of nearly every quilter. But we're not the only generation of quilters who have accumulated them.

To finish up some of your UFO's, sign up for a class time to

bring your sewing machine and UFO's and get those projects finished.

No Class Fees!

Call to reserve your space!

Come for a few hours or stay all day. See you there!

Class Times:

- Wednesday, July 21, 10am-6pm
- Friday, July 23, 10am-6pm
- Saturday, July 24, 10am-6pm
- Tuesday, July 27, 10am-6pm
