I/We hereby apply for utility services, and abide by all pertinent ordinances and regulations of West Point City (hereinafter called "The City"). I further agree to pay, when due, the established charges for such services. I agree that The City may shut off the water for failure to pay culinary water, sewer, garbage secondary water and storm drain charges when due, in all or in part. I understand that in addition to the above, The City may assess late and/or shutoff fees for which I will be responsible for paying if I am late or my water gets shutoff for nonpayment. If shutoff occurs, all arrears for services including all fees shall be paid in full before service is restored via cash, cashier's check, debit or credit card. In the event that action is required to enforce this agreement, I/We agree to pay all costs including late fees, shutoff fees, collection costs (including additional 35% collection fee), court costs and reasonable attorney's fees.

JURISDICTION AND VENUE. The terms and conditions contained within this agreement shall be governed by the laws of the State of Utah and shall be construed and interpreted in accordance with those laws. Any action or proceeding brought by either party which is based upon or derived from, or in any way related to this agreement, shall be brought in a court of competent jurisdiction within the state of Utah. The parties hereto consent to their personal jurisdiction of said court.
