

CEMETERY DATABASE

CONTACT: Amanda Shipley 801-479-4130

GOALS:

1. Work with City Council Member assigned as program manager to aid in managing the program and to incorporate any changes or additions.
2. Enter all of our cemetery records on the County and State Website and keep them up to date.
3. Enter all of our cemetery records on the City Website and keep them up to date.

UPDATES:

JANUARY 2012: The database for the cemetery is being worked on so that it will be available on the City's webpage. An Eagle Scout Service Project by Brandon was completed last year on the Uintah Cemetery. All of the graves were mapped and pictures taken of headstones. The information and pictures are now available at Uintah.namesinstone.com
