

EmbroidaBlock of the Month 2011

We have combined forces with HoopSisters.com to offer their unique EmbroidaBlock of the Month Program. The quilt for 2011 is entitled, "Goose Tracks". It is absolutely exquisite and nothing like the previous years! The technique of combining embroidery with piecing and quilting is extraordinary.

Last year's quilt, TNT, Textures and New Techniques was a huge hit! People all over the country participated in the program and we are happy to announce our participation in the 2011 program.

We will be meeting once a month for 10 months. The first 9 months you will be stitching four blocks each month. The 10th month we will teach you HoopSisters unique joining technique.

Come join us to have some fun and learn this new quilt technique using an embroidery machine. I'll bet you didn't know an embroidery machine could do this!!

If you have an embroidery machine and want to find more uses for it, this is the class for you.

If you are not a quilter but would like to be, this is the class for you.

If you are a quilter and you think an embroidery machine is nice but not necessary, think again!
