

MD Anderson Online Quilt Auction

Please help us help MD Anderson raise research dollars in the fight against gynecological cancers. We just finished the sew - in and with the help of 70 volunteers put 65 quilt tops together! Thanks to all who helped. We still need help getting the quilts quilted and bound. We need help in getting them bound. Let us know if you would like to and you have until May 1, 2011 to return the quilts to us. The online auction will take place November 2011. The last auction raised \$25,000, but the 2011 auction goal is \$50,000! We can do it, but only if we do it together. Go to <http://www3.mdanderson.org/app/auction/quilt> to view some of the quilts from the last auction and for more info. Of course, please contact us here at SunFlower Quilts if you have any questions!
