### Innov-ís NX-800

#### SPECIFICATIONS / BENEFITS

- **Built-in stitches, buttonhole styles and fonts**
  - › 138 built-in sewing stitches, including 10 styles of one-step buttonholes and 3 sewing lettering fonts.
- **My Custom Stitch™ feature**
  - › Design your own personalized stitch patterns for any style of sewing. This exclusive feature will allow you to expand your stitch library with a virtually unlimited number of personalized stitches that can be accessed for years to come!
- **10 memory pockets**
  - › Save your favorite pattern combinations in one of the internal memory pockets for future use.
- **Easy-to-read LCD Screen**
  - › Select one of 14 languages and view virtually all your sewing and quilting functions: stitch selection, stitch length and width, recommended presser feet, and error messages if certain operations are performed incorrectly.
- **Horizontal stitching**
  - › Perfect for sewing patches and appliqués on projects using the horizontal straight stitches and horizontal zig zag stitches that sew to either the left or right.
- **Free-motion stitching**
  - › The free-motion lever easily adjusts feed dog height and automatically sets the tension for perfect free-motion projects.
- **Easy stitch selection via digit pad**
  - › Ability to quickly select the stitch pattern desired with a simple touch on the stitch keys. Easy to attach and view stitch reference chart also included.
- **Advanced needle threading**
  - › Eliminates hand threading by pushing the thread through the eye of the needle with the press of a lever. Perfect threading virtually every time, even when you can't see the eye of the needle.
- **Multiple thread cutting operations**
  - › On-board scissors and programmable trimming allow you to cut the thread with just the touch of button.
- **Quick-Set™ Bobbin**
  - › Just drop in a full bobbin, pull the thread through the slot, and you're on your way to start sewing.
- **Bright work lights**
  - › Helps reduce eye strain when sewing on dark fabrics and helps you ensure accurate seams and stitch quality.

- **7-Point feed dogs**
  - › Wide-set 7-point feed dogs make it possible to create beautifully formed decorative stitches at high speeds with minimal fabric guiding.
- **Adjustable presser foot height**
  - › Change the presser foot height with the touch of a button to allow for passing thicker sections of garments under the presser foot.
- **Adjustable presser foot pressure**
  - › Adjust the presser foot pressure for improved delivery of fabric with height variations.
- **Automatic upper thread tension**
  - › Adjusts upper thread tension for preferred stitches on virtually any fabric.
- **Safety screen lock**
  - › Screen lock secures stitch attribute information on the screen as you sew and locks the screen while the machine needle is being changed, ensuring settings are never lost.
- **Stitch editing feature**
  - › Found a stitch that's close to what you want but not quite perfect? Simply use the Stitch Editing Feature to adjust the size, density, width and height of many of the machine's included stitches.
- **Lowercase lettering**
  - › Lowercase letters and additional characters are available for all 3 sewing font styles.
