

We are working hard to give you an assortment of programs with easy-to-understand monthly payments. From simple to advanced, choose from lots of techniques, like traditionally pieced, paper-pieced, applique, embroidery, and so many more. Our goal is to offer that beautiful quilt, broken down into pieces that won't overwhelm you, or your pocketbook. Once you pay the Start-Up Fee, each month is just \$24.95 + Shipping and Handling. Unless other arrangements are made, your monthly fees will be billed to the credit or debit card that was used to pay the Start-Up Fee. When you register for our block-of-the-month quilt programs, it is understood that you are registering for the entire program. We will abide by this policy and prepare a kit for you each month with the understanding that you will remain in the program for the duration.

Our Policy

Cancellation:

We understand, however, that things happen. If something happens that causes you to need to cancel, please let us know right away! Should you need to cancel before the program is over, however, ***the Start-Up Fee is not refundable.***

Afraid of mistakes?

Our store is unique in that if you should make a small mistake on a particular piece of fabric you can call and request a replacement. We are happy to accommodate when fabric is available provided this policy is not abused. If you make a large mistake we usually have extra fabric available for you to purchase at a small price. Please just call and discuss it with us!

Start Up Fee

Each program has a \$25 ***non-refundable*** Start-Up Fee. This, not only, tells us that you are invested in the program, but helps us to cover the initial costs of the patterns and fabrics needed. It also allows us to offer you the quilt at a reasonable monthly fee without a large lump-sum payment at the end for borders, binding, etc.

If you are signing up for a Block of the Month, and already have the book/pattern, we will discount the Start-Up Fee by 50%. Just let us know in the comments section of your order, and we will make the necessary adjustments upon billing.

if you have the book or pattern for a block of the month we discount the sign-up fee by 1/2. So if you do not need to receive the book just mention it in the customer comment

section and you will be charged 12.50 at sign-up instead of 25.00.

Billing & Costs

We bill out many Block of the Month Programs each month, so, each program is scheduled a designated time during the month. Once a Program begins, and is scheduled for that first month, it will be billed on, or about, the same time each month, depending upon weekends and holiday.

If, for any reason, we are not able to charge your credit card, a postcard will be mailed to you, and your kit will be held until payment arrangements can be made. For this reason, we encourage you to let us know if you receive an updated credit card or expiration date.
