2011 FABRIC AND OUR SHOP HOP BLOCK

Fabric drives everything at Shop Hop. This year, the theme fabric is a fresh new floral offered from *In the Beginning Fabrics*, Seattle, WA.

You love this retro, summery nostalgic fabric in primary colors. We're adding yellow and white to freshen it up. Our shop theme for 2011 is *Hang it on the Clothesline*.

Gathering Fabric Quilt Shop's Block is **Hang it on the Clothesline**. Piece a simple four corner 8.5 inch block and applique and embroider the center white block with clothes and bird. Finish with simple embroidery and add cute buttons. This blocks will fit in perfectly to the shop

hop quilt. Thanks you Lynn Woodard of Kirkland Washington for creating our 2011 shop hop block.

Two Bus Trips this year to the northern shops. We always take the northern route for more bang for your driving buck. Leave early from the shop (try to get dropped off) and return by 9:30pm during the longest sunshine days of the year. Our number one driver, Bob, takes north, up to sixteen shops on Wednesday, with a more relaxed trip on Saturday. Cost this year, \$60. Pack a small cooler of food for your day of fun.
